Blindfrog Industries Font License Agreement
THIS IS A LEGAL CONTRACT.

By installing this font, you are agreeing to be bound by the terms of this Agreement.

1. Allowed uses

You may use the licensed font free for personal, non-commercial projects to create images on any surface including but not limited to computer screens, paper, web pages, photographs, movie credits, printed material, T-shirts etc. providing they aren't monetized via other sources or means e.g. a website that generates income via banner ads, google adsense, etc

For commercial uses - uses primarily intended for or directed toward commercial advantage or private monetary compensation – you are required to purchase a commercial license from http://www.practiquefont.com/ per commercial use. That is you need to purchase a new commercial licence per commercial use (project) the font is used within. Failing to do so will result in legal action.

2. Third parties

You may provide the font to a graphic designer, printer or other service bureau that is working on your behalf only if they agree to use the font exclusively for your work, agree to the terms of this license, and retain no copies of the font on completion of the work.

You may not provide, distribute or make the font accessible to any other third parties without the express written consent of Blindfrog Industries

3. Embedding

You may embed the licensed fonts into any document you send to third parties. Such documents may be viewed and printed (but not edited) by the recipients.

For web embedding, you can use WOFF, @font-face, SIFR, Cufón or Embedded Open Type (EOT). You can use third-party software to convert @font-face formats mentioned above. You must assure, that the viewer will not be able to get the original fonts themselves, and that your pages will not permanently copy the original fonts into a connected computer.

For commercial web embedding you may display the font on an unlimited number of web pages, within one (1) web domain, upon purchase of a commercial license. For multiple domains, you need to purchase a commercial license per domain.

(continued)

You may not under any circumstances embed the licensed fonts into software or hardware products in which the fonts will be used by the purchasers of such products. Such use requires a special commercial license, attainable by contacting Blindfrog Industries

4. Modifications
You may not modify, adapt, translate, reverse engineer, decompile, disassemble, or create derivative works based on the licensed font itself without Blindfrog Industries prior written consent

5. Copyright
The licensed fonts are copyrighted and contain proprietary information and trade secrets belonging to Blindfrog Industries. Unauthorized copying of the licensed fonts even if modified, merged, or included with other software is expressly forbidden. You may be held legally responsible for any infringement of Blindfrog Industries intellectual property rights that is caused or encouraged by your failure to abide by the terms of this Agreement.

6. Termination
This Agreement is effective until terminated. This Agreement will terminate automatically without notice from Blindfrog Industries if you fail to comply with any provision contained herein. Upon termination, you must destroy all copies of the licensed font.

7. No Liability For Consequential Damages.
In no event shall Blindfrog Industries be liable for any damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use this product, even if Blindfrog Industries has been advised of the possibility of such damages.

8. Governing Law
This agreement is governed by the laws of Australia and the State of Victoria
